Ages: Children through Adults
Session #1 April 27-May 29
Session #2 June 8-July 10
Session #3 July 20-August 21
Nothing could be better than playtime! This unit is all about fun and predictability. From *Pop Goes the Weasel* to *Monkey See Monkey Do*, this unit is a nonstop play fest that stresses the developmental value of predictability, repetition, and play. All of this movement stimulates the release of brain chemicals that support memory and learning even in tiny babies. Families will love the beautiful book and CD to take home. Our bodies get a gross motor workout and tiny hands develop fine motor skills with instruments when we share in this musical *PLAYTIME* adventure!

“Animals a-Dancing”
This class is designed for children to attend with parents/caregiver.

*Wednesdays, April 29, May 6, 13, & 20*

**Ages:** 18 mos-3 yrs  **Time:** 9:00-10:45 am

**Ages:** 3-4 yrs  **Time:** 10:15-11:00 am

What’s your favorite dance, animal, instrument or song? The activities in this unit will help us answer these questions, discover our preferences and become more self-aware in the process. Along this journey of self-awareness, we will also develop our motor, language, and vocal skills using songs, music, movement, story time, hula hoops, balls and instrument play alongs. We will also explore musical expression using tempo, articulation, and dynamics. Families will enjoy a fun filled CD along with a literacy magazine including home activities and a delightful story filled with rich vocabulary. Prepare to ribet like a frog, roll like a pig, and swing like a monkey as we join the *Animals a-Dancing*!

“Splash Along with Music”
Get ready for an Ocean Adventure as we use our imaginations to visit the beach. Children will use gross motor skills to scuttle like crabs and fly like seagulls. Singing, instrument play, movement, and story time all bring the learning to life. Pack your beach bag to *Splash Along with Music*!

“Make Believe with Music”
Set sail for the land of *Make Believe*! We will dance the Pirate’s treasure dance, visit the castle of a king and queen, and do the Dinosaur stomp. Through music and instrument play we will exercise our imaginations and express our creativity in countless ways. This action packed adventure focuses the fun on literacy, movement, and sequencing. A silly story about a pirate who gets his words confused is sure to delight young preschoolers and get them thinking. Anchors aweigh as we *Make Believe with Music*!

“Zoo Fun with Music”
Zebras, elephants, a kangaroo….oh the animals we’ll see at the zoo! Fast and slow, high and low, how many ways will our instruments go? Get ready for a musical adventure as we slither, pounce, and kangaroo bounce! Pack your binoculars and let’s have Fun at the Zoo with music!
